What is Emmaus Coventry & Warwickshire?

Our charity works across the Coventry and Warwickshire area; we've been helping people who are homeless or at risk of homelessness since 1993. We're one of 30 Emmaus charities in the UK; there are more than 300 across the world.

We currently have space to accommodate up to 17 people at our accommodation in Binley, Coventry. Everyone has their own bedroom whilst living in the community, as well as many large communal areas where they can socialise. We offer support and also work opportunities. The people we support (known as 'companions') help to run [our Coventry charity shop](#): a commercial setting where skills can be learned, and confidence improved in a friendly atmosphere. Each companion can stay with us for as long as they wish and is offered training opportunities until ready to return to independent living.

Why volunteer with us?

Volunteering is a great way to learn new skills and meet new people at the same time as helping your local community.

Volunteers are an important part of our friendly charity team. We provide training and support, lunch and bus expenses, plus all our volunteers receive a special 20% discount in shop. We have several volunteer roles available and can be flexible to find a role and time commitment to suit you.

Here are some examples of the current roles we have available (full details can be found on our website: www.emmaus.org.uk/coventry-warwickshire/volunteer):
