Emmaus overview

Emmaus is a secular organisation supporting homeless and socially excluded people. There are currently 30 Emmaus communities across the UK, providing a home and meaningful work to more than 850 people who have experienced homelessness, known within Emmaus as companions. In addition to this, there are three emerging groups working to establish new communities locally.

Emmaus is different to a lot of homelessness charities as it provides someone with a home for as long as it is needed, not just a bed for the night. Companions, as residents are known, each get their own room and access to communal areas where they eat and socialise together.

Social enterprise is central to the Emmaus model as it provides meaningful work for companions but also generates a large proportion of the funding needed to maintain communities. Having something to do every day provides structure and a sense of purpose to companions.

This work plays a huge part in helping to restore the self-esteem that many people lose when they are homeless, and enables them to make the most of their existing skills, while learning new ones.

Emmaus communities deliver a significant return on investment. Research shows that for every £1 invested in a community, there is an £11 return, with savings to the benefits bill and health services, and a reduction in crime reoffending.

For companions in particular, this has a huge impact on their confidence and self-worth, showing them that they can make a difference to someone else's life and add value to the lives of people around them.

How Emmaus works

Emmaus North East supports people who have experienced homelessness and social exclusion. We offer:

A home for as long as someone needs it

In our Emmaus community, everyone has their own furnished bedroom. It is their space for as long as they need it. All bills are covered, basic toiletries are provided and fresh meals are prepared in the communal kitchen. Living and dining areas are shared spaces where people can relax and socialise together.

Meaningful work in a social enterprise

The people we support spend time working in our social enterprises and community. For many, taking part in meaningful work gives them a focus and routine each day. The opportunity to become an active part of society, and make a contribution to it, plays an important role in restoring their self-esteem.

A sense of belonging and community

We offer the companionship, support and sense of belonging that many people who have experienced homelessness may have lost. It's a safe and caring place where people can settle and rebuild their lives. Our community enables people to share their experiences and benefit from peer to peer support.

Thanks to Emmaus, I have a calm and stable life, something which I have not had in years. I feel as though I could have a future, which going back two or three years I wouldn't have seen as a possibility.

Michael, Emmaus North East companion

Emmaus North East overview

Emmaus North East is a local charity supporting people who have experienced homelessness and social exclusion by providing a home and an opportunity to get back on their feet. The people we support (known within Emmaus as companions) live and work together in our community home and social enterprises.

Our residential community is a place where people can make it their home, make new friends, gain confidence, and get access to the support needed to secure their own home. Whilst at Emmaus North East, companions have a chance to improve their health and wellbeing, learn new skills and gain qualifications.

In providing companions with the space, stability and support they need, we enable people to take stock of their lives and make positive changes for the future. This approach is proven to produce long-term sustainable results for people who have been stuck in the cycle of homelessness.

Here at Emmaus North East, we have a small staff team and accommodation for up to 22 companions. We are also supported by a dedicated team of local volunteers who give their time to help out in our social enterprises in Low Fell, Hebburn, Jarrow and South Shields.

All companions directly contribute to the success of Emmaus North East by helping in our community home and social enterprises. This provides people with a focus each day and work experience to enhance their future opportunities.

Working at Emmaus North East can be demanding at times but also very rewarding, especially seeing people overcome challenges and achieve their goals. No two days are the same at Emmaus and you can be sure of a diverse mix of people to keep every day interesting. We're working together to end homelessness and have exciting plans to further develop our community and the impact we have in the local area.

Our mission

is to enable homeless people to rebuild their lives through support and social enterprise that enriches and involves the local communities across the North East.

Our values

Create an environment of
