Emmaus Village Carlton

About Emmaus

We offer a home, not just a bed for the night.

Our vision: A world in which everyone has a home and a sense of belonging.

At Emmaus Village Carlton (EVC), companions (formerly homeless people) find a place where they can enjoy companionship and support. Each person has their own room whilst living and working in the community.

We offer work.

All companions work full time and there is work for everyone. The shops and bistro provide a commercial setting where skills can be learned in a supported and friendly atmosphere.

We offer a new beginning.

Emmaus offers homeless people a fresh start in life with the support of the community around them. They can stay as long as they wish and are offered opportunities to train and acquire new skills. When a companion wants to move on, he or she will be assisted to find accommodation and work.

Emmaus in the world.

Emmaus is not just in the UK. It originally started in France in the 1940s and since then has grown into an international movement with more than 400 groups based in 41 countries across the world. Emmaus started in France shortly after the Second World War, when homelessness was a big issue.

How it works.

There are currently 35 Emmaus communities across the UK, providing a home and meaningful work to more than 840 formerly homeless people. In addition to this, there are five emerging groups, working hard to establish new communities. No two Emmaus communities are the same – each has its own individual personality, providing a set of services that meet the needs of its local area. The UK is now the largest Emmaus movement outside of France.

Working with companions.

Supported by staff and volunteers, companions are the mainstay of the EVC operation throughout the site. We exist to support companions. Some have never worked, have limited confidence, and can find responsibility challenging.

As well as undertaking the duties of the Companion Development Worker, the role also includes the need to coach, mentor and motivate companions on a daily basis.

Terms of employment.

Salary:	£24,121 gross per annum
Hours of work:	40 hours per week: Wednesday – Sunday with flexibility to cover sickness and holidays as required. Weekends are our busiest days in the social enterprise, but we are willing to have some flexibility if you cannot work every weekend
Pension:	An auto enrolment pension arrangement whereby the employer contributes 5% and employees 3%.
Holidays:	23 days per year plus Bank Holidays
Training and development:	Individually tailored induction, training, and development.
Employee Assistance:	24/7 employee assistance scheme is available.

Working Conditions.

Emmaus Village Carlton runs its operations seven days a week and provides 24 hours, 7-days/week support to the community. We open to the public five days per week, Wednesday to Sunday, and this role will be required to work these business opening days.

Emmaus works with vulnerable adults at risk. Staff and volunteers must observe the proper professional boundaries while performing their role.

All staff must always act in a way which will maintain the good reputation of Emmaus Village Carlton, upholding the policies and procedures of Emmaus and striving to preserve good working relationships with staff, volunteers, companions, and trustees. All staff are required to keep personnel information and significant matters relating to the community confidential.

In Emmaus, volunteers are an important resource and make a vital contribution to Emmaus' aim to take action to help the most disadvantaged people. Emmaus therefore encourages the development and support of volunteer involvement in its work.

We expect you to carry out your job responsibilities in an environmentally aware manner. Our aim is to ensure all resources are utilised effectively and efficiently.

Site Details.

Emmaus Village Carlton is currently based on one single 6-hectare site. There are two trading buildings open to the public, an 'Under 1 Roof' building for sorting of donated goods, a waste recycling area, offices, garden, grounds, playing fields, three residential houses for companions, move on accommodation and staff accommodation.

Safeguarding and right to work in the UK.

The role will involve working with companions and requires a Disclosure and Barring Service (DBS) check. This is to check the criminal records and that the person is not barred from working with 'adults at risk'. Some companions can be classed as adults at risk.

After interviews, the successful candidate will be required to provide evidence of their right to work in the UK and complete a DBS check.
