## Chair's introduction

### Chair's Introduction 2019–2020 accounts

For Emmaus, as with most people, 2019–20 has been a year of two very distinct halves. We started our year planning for the future – developing our new federation-wide strategic plan and setting our ambitions for the next five years. However, all of this was put on hold when in March 2020 the UK, along with many other parts of the world, went into lockdown as a result of the coronavirus pandemic. Not only was this not something we expected, it was also a situation none of us had ever experienced before.

As all of this was happening, I took over from Frank McMahon as Chair of Emmaus UK. When I put myself forward for the role I didn't expect it would involve dealing with the impact of a global pandemic.

But any initial concerns soon turned to awe, as I saw the remarkable response, both from Emmaus communities and groups, and from our amazing donors and supporters. Closing all of our social enterprises had a double impact for Emmaus communities. Of course, it meant a loss of earnings for our communities, who depend on that income to deliver their essential work. However, and in my opinion more importantly, it also meant the companions we support lost the meaningful work that means so much to them. The whole Emmaus ethos works on the basis that having something to do every day helps to restore self esteem and helps companions to get back on their feet again, so without access to that meaningful activity, there was a significant risk to companions' wellbeing.

However, like so many people during this pandemic, our communities and companions rallied around and found new and creative ways to use their time during lockdown. For many this involved redecorating their community homes and shops to prepare them for reopening, others were working to help others in their local community. Both Emmaus Cambridge and Emmaus Gloucestershire donated bedding and material to their local hospitals to make new scrubs for our amazing NHS workers. Emmaus Coventry & Warwickshire used its vans to distribute food to other local charities, and Emmaus Salford shared a donation of toothbrushes with 12 other charities in their local area. Emmaus Hertfordshire and Emmaus Suffolk prepared activity packs and took them out to vulnerable people with mental health challenges.

At Emmaus UK, our priority was helping our communities to navigate this new and uncharted territory and helping them to access the support they needed to get through it. Our Federation Support, Business Development and Communication and Fundraising teams have been working with communities and groups; providing support and advice on keeping their communities running through the pandemic, accessing the support available and planning for recovery.

Like so many people, we have embraced technology to hold online meetings and keep lines of communication open. In June, our wonderful President, Terry Waite, attended our first ever virtual Companions' Forum, joining companion representatives from Emmaus communities across the UK to share their own experiences of lockdown and how it was impacting on them. As ever, Terry's

personal experiences gave him great empathy with the companions and his input into the meeting was greatly valued.

The team at Emmaus UK has also been working with donors and supporters to seek their support for our communities at this difficult time. An appeal sent out to Emmaus UK donors raised more than £200,000, which was distributed to Emmaus communities to help them to support companions through the lockdown. The Dulverton Trust donated funds to help communities to purchase safety and hygiene equipment and our corporate supporter Bunzl provided communities with cleaning products. In addition to this communities received donations of socks and underpants from the sock shop, and our long-term corporate supporter, Charles Russell Speechlys LLP, raised funds for the emergency appeal as well as offering communities pro bono legal advice on their business interruption claims.

Thanks to all of this support, Emmaus communities and groups have managed to survive the first stage of this pandemic, but we know there is still a long and tough road ahead of us. Emmaus UK has set aside a £500k emergency fund to help communities if they get into difficulty in the coming months, however this will only stretch so far. With a sharp rise in homelessness predicted in the coming months we know Emmaus will be needed more than ever, and it's our responsibility to ensure we can respond to this demand.

This is why, despite the uncertainty we all face, we are continuing to look to the future and we are refocussing on our new strategic plan. Whatever happens in the coming months, we want to make sure we're in the strongest possible position to handle it, and with the continued support of our donors and supporters, we're confident we will be able to help even more people to find a long term route out of homelessness.

Thank you for your continued support

Best wishes

Susan Brooksbank-Taylor  
Chair of Trustees, Emmaus UK

## Trustees' annual report

### For the year ended 30 June 2020

---

The trustees who are also directors of Emmaus UK (The Charity) for the purposes of the Companies Act, submit their annual report and financial statements of the Charity for the year ended 30 June 2020. The trustees confirm that the annual report and financial statements of the Charity comply with current statutory requirements, the requirements of the Charity's governing document, the requirements of a directors' report as required under company law, and the Statement of Recommended Practice – Accounting and Reporting by Charities: SORP applicable to charities preparing their accounts in accordance with FRS 102.

## Objectives and activities

### Purposes and aims

The trustees review the aims, objectives and activities of the charity each year. This report looks at what the charity has achieved and the outcomes of its work in the reporting period. The trustees report the success of each key activity and the benefits the charity has brought to those groups of people that it is set up to help. The review also helps the trustees ensure the charity's aims, objectives and activities remained focused on its stated purposes.

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning its future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives that have been set.

### About Emmaus

Emmaus is a homelessness charity with a difference. We do not just give people a bed for the night; we offer a home, meaningful work and a sense of belonging.

For many people who have experienced homelessness, losing their self-esteem can be the most damaging part of their experience. Being on your own, with no support around you can be soul destroying, leaving you feeling worthless.

Emmaus is different because it provides a home for as long as someone needs it, in an Emmaus community. This gives companions, as we call our residents, the opportunity to take stock of their lives, deal with any issues they might have, and often re-establish relationships with loved ones.

### About Emmaus UK – Aims and activities

Emmaus UK is the federal body and national organisation for Emmaus in the UK. Each member of Emmaus UK – either a community or group – is an independent charity, governed by a local board of trustees.

Ultimately each Emmaus community aims to become self-funding through its social enterprise. Emmaus UK supports its member organisations as they work towards this goal, sharing best practice, coordinating federation-wide meetings and providing direct capacity building and

support in areas such as governance, business development and companion support. The charity also offers fundraising and publicity support and provides grants and loans to enable further development of existing Emmaus communities and groups, and the expansion of Emmaus in the UK.

Emmaus UK offers a range of different funds to support communities and groups:

- Companion Room Expansion Grant Fund – used to increase the number of companion rooms Emmaus communities are able to offer in the UK.
- Capacity Development Grant Fund – used to build the capacity of communities and groups and strengthen them
- Community and Enterprise Investment Loan Fund – offers loans from Emmaus UK and external funders to help communities to grow and develop.
- Companion Training Fund – provides grants to companions for training, personal development, or for the equipment needed to take part in these opportunities.
- COVID Emergency Fund – A ringfenced fund of £500,000 to support communities facing significant financial difficulties as a result of COVID-19

Emmaus UK is also responsible for co-ordinating and measuring development towards achieving the goals set out in the federation's strategic plan and is formally recognised as the national organisation representing Emmaus International in the UK. In 2019–20 a new plan for 2020–2025 was developed, however the launch of this plan has been delayed as a result of the coronavirus outbreak. It is being revisited in light of the changing economic environment and is expected to launch early in 2021.

### Strategic Plan

The Emmaus Strategic Plan 2015–2020 has been developed to align with the federation's vision, mission and values:

**Our vision is for:**

A world in which everyone has a home and a sense of belonging.

**Our mission is:**

To work together to overcome homelessness and social exclusion while using our voice to achieve social change.

**Our values**

- Value and respect every person, opposing injustice.
- Be transparent and honest in all our dealings.
- Demonstrate solidarity and support to those in need.
- Create an environment of empowerment.

## Trustees' annual report

### For the year ended 30 June 2020

---

- Share and exchange resources, skills and learning.
- Support and foster inter-dependence and cherish independence.
- Work to live and give.

## Our goals

The strategic plan (2015 – 2020) outlines seven strategic goals, across three priority areas, to be achieved over the life of the plan:

### Strength and quality

- Emmaus operates a range of social enterprises in order to achieve financial sustainability.
- Emmaus is working with companions to realise their aspirations and potential.
- Federation members are demonstrating organisational sustainability and ethical practice.
- The Emmaus federation is demonstrating unity and is working together for mutual benefit.

### Profile and influence

- Emmaus is well known and respected and is using its voice to address the causes and consequences of homelessness and social exclusion.
- Emmaus in the UK is an active contributor and influencer in the international Emmaus movement.

### Growth

- Emmaus is increasing the number of companion rooms and is providing non-residential opportunities.

## Achievements and performance

Emmaus UK's main activities are described below. As a support organisation, all charitable activities focus on providing support and advice to members of the federation and are undertaken to further Emmaus UK's charitable purposes for the public benefit.

Emmaus UK provides expert support to Emmaus communities and groups who work with formerly homeless and socially isolated individuals, known as companions. Companions are provided with a home for as long as it is needed, meaningful work within social enterprises, support and training opportunities to help them work towards a brighter future. The social enterprises in turn help support members of the wider community, by offering low cost furniture and goods and in some areas, food to those on low incomes. Acts of solidarity from companions also help the wider community, through fundraising and volunteering for local, national and international charities.

In addition to this Emmaus UK runs a national referral gateway, which enables easier access for potential companions to communities.

## Trustees' annual report

### For the year ended 30 June 2020

---

In order to deliver the federation's five year strategic plan (2015–2020), Emmaus UK has been working with its members to provide support and co-ordinate a range of federation-wide activities, such as developing a companion core offer, training plan, staff training and development, improving governance, business support and development.

The following sets out the achievements of Emmaus UK, the charity, and how they have supported members of the Emmaus federation in the UK.

**Strength and quality** – strengthen and improve the support we offer to companions and overall organisational resilience.

- 163 companions have received individual support for training and development. A further 154 companions have taken part in group training. Total training funding from Companion training fund was £51,759
- Mentoring on companion support for two communities
- 185 people have completed training courses facilitated by Emmaus UK and a further 434 have completed online training via the EUK online training platform
- 12 communities have benefitted from retail support
- Nine communities and groups have benefitted from business development support
- 11 Emmaus communities are now using the Charity Log system developed by Emmaus UK to record support and outcomes for companions. A further five communities are training on the system and most other communities are planning to engage with it.

**Profile & influencing** – increase our profile in order to generate funds and support that enables us to achieve our strategic objectives.

- The regional communications service supported 19 communities with dedicated Regional Comms Officers as well as providing communications and PR toolkits for those communities who do not subscribe to the service.
- A new website was launched in September 2019 which helps people to engage with Emmaus. Potential companions can use the website to find out how to get support or apply to join Emmaus, and donors and supporters can make donations of goods and cash through the new site.
- Emergency fundraising appeal in response to the COVID-19 pandemic generated more than £200,000 to provide continued support to companions during the lockdown.
- Engagement across all social media channels has increased – Facebook 13%, Twitter 8%, Instagram 108%, LinkedIn 59%.

**Growth** – Emmaus is increasing the number of companion rooms and is providing non-residential opportunities.

- Ten new companion rooms have been funded at a cost of £190,000 through the companion room expansion fund – five at Emmaus North East and five at Emmaus Greenwich. These rooms are expected to open to companions in 2020–21.

## Emmaus UK

### Trustees' annual report

#### For the year ended 30 June 2020

---

- More than 100 non-residential companions have been supported in the year.

### Emmaus in the UK (consolidated federation information – Emmaus communities in the UK)

Emmaus UK only exists to support communities and groups across the UK, helping them to strengthen their social enterprises and ensure they are in the best possible position to support companions when they need it most. We also keep track of communities' achievements all over the UK. Here are just a few highlights:

- Emmaus currently offers 840 accommodation places to companions, across 29 communities.
- An additional 100 non-residential companions are also supported at communities.
- 55 companions have moved into employment on leaving Emmaus.
- 10,000 tonnes of goods were reused or recycled thanks to Emmaus communities
- More than £41,158 was donated in cash and £125,122 in goods and 2,345 hours volunteered to support solidarity causes – helping those in greater need.

### Fundraising income

Direct marketing continues to provide the largest source of income to Emmaus UK, thanks to the generosity of individual donors. Overall fundraising income generated £2,153,934 in 2019/20 (2018/19: £2,603,059).

### Charitable activities

The total income generated from charitable activities has increased from £351,563 in 2018/19 to £377,920 in 2019/20 due in an increase in the repayment of solidarity grants and in increase in income from trusts and foundations.

Full details concerning the cost of charitable activities are shown in Note 5 to the accounts. Total charity costs reduced from £2,675,081 in 2018/19 to £2,401,382 in 2019/20. This is primarily due to the large legacy donation in 2018/19 which allowed for additional grants to be paid out to Emmaus communities and groups and led to the creation of 41 new companion rooms across the UK.

### The coming year

The unstable economic situation and ongoing pandemic mean Emmaus is likely to face a challenging year in 2020–21 as we work to respond to the increased demand and changing needs of homeless people in the UK.

In spite of this uncertainty, we will continue to develop our new strategic plan in order to best meet the needs of the people we support and ensure our long-term survival as a federation.

## Financial review

The total income for the year was £2,592,228 (2019: £2,999,200), restricted income was £498,763 (2019: £303,386) of this £468,763 (2019: £126,019) was donations and grants fundraised for communities and groups and passed directly to them. The principal funding sources for the year were donations from direct marketing, legacies, grants from trusts and foundations and funds raised through corporate partnerships.

Expenditure was £2,401,382 (2019: £2,675,081). This was lower than last year due to a large legacy in 2018–19 enabling a large number of grants from the companion room expansion fund.

The community and enterprise investment loan fund (see Note 13) received loan repayments from members of £30,050 (2019: £68,445).

Grants totalling £71,754 (2019: £136,351) were paid out of the Capacity Development Grant Fund (previously Legacy Fund) with an additional £190,000 (2019: £610,786) paid from the Companion Room Expansion Grant (previously 25th Anniversary Fund) in order to fund an increase in the number of companion rooms in the UK (see note 6).

Emmaus UK also works directly with members of the federation to raise funds and in-kind support, which are given directly to the communities and are therefore not reflected in these financial statements. The cost of this activity is included in the fundraising and publicity resources as detailed in note 5. Emmaus UK offers a range of other services to support the members of the federation, these include; IT support, HR advice and support, a regional communications service, provision of a website, a companion support database, referral gateway, access to training and support to develop their business and community.

## Principal risks and uncertainties

### Risk Management

Risk management is taken very seriously by the Trustees at Emmaus, the risk management register is a standing item on both the Resources and Operations committee agendas. The trustees have a formal risk management policy in place and strategic and operational risk registers to assess risks and implement risk mitigation strategies. These identify the type of risks faced by the Charity, prioritises them in terms of likelihood of occurrence and potential impact, and identifies the means of mitigating those risks. These risks are regularly considered by the Board and its committees and mitigating actions are in place. The registers are regularly updated, with systems being amended as appropriate. A disaster Recovery Policy is also in place.

The highest risks currently identified in the Charity's strategic risk register, are listed below with the control measures:

Risk	Control Measures
<p>Failure of communities &amp; groups to repay Emmaus Fund loans (EUK balance sheet) and/or meet interest payments.</p>	<p>Robust due diligence checks before approval is granted by the investment committee.</p> <p>Security/charge taken on loan where appropriate.</p> <p>Quarterly monitoring of recipient's financial performance, cash position and risk attached to repayments.</p> <p>Liaison with HoFS to act on any issues surrounding repayments.</p> <p>Legacy fund created to build capacity.</p> <p>Monitoring of external environment &amp; assessing impact.</p> <p>Business Development Team working closely with members.</p> <p>Freeze on capital repayments and interest during period of COVID-19 crisis.</p> <p>Emergency Fund created to support members in difficulty.</p>
<p>Failure of communities and groups to repay loans from 3<sup>rd</sup> parties via Emmaus UK (and/or meet interest payments).</p>	<p>Robust due diligence checks before approval is granted by the investment committee.</p> <p>Framework agreements with 3<sup>rd</sup> party loan providers ensure that Emmaus UK is not liable for capital repayments to 3<sup>rd</sup> parties.</p> <p>Quarterly monitoring of recipient's financial performance, cash position and risk attached to repayments. Liaison with Head of Federation Support to act on any issues surrounding repayments.</p> <p>Legacy fund to build capacity.</p> <p>Business Development Team working closely with members.</p> <p>Freeze on capital repayments and interest during COVID-19 crisis</p>
<p>Failure of communities to the Emmaus Fund repaying historical solidarity grants from Emmaus UK (P&amp;L income to replenish the Emmaus Fund)</p>	<p>Promoting the principle of solidarity and repaying grants when in a position to do so.</p> <p>Demonstrating best practice &amp; robust decision-making processes in re-cycling funds to our communities in need (and future social enterprises).</p> <p>Resolution to repay minimum annual amount passed at 2017 AGM.</p> <p>Reminder letters.</p>

Trustees' annual report

For the year ended 30 June 2020

Risk	Control Measures
Inability to maintain services to members due to lack of staff or lockdown	All staff are able to deliver minimum support from home. CBA system resurrected to maintain regular contact.
Failure of communities to make contributions to the Community and Enterprise Investment Loan Fund repaying historical solidarity grants from Emmaus UK (P&L income to replenish the Community and Enterprise Investment Loan Fund).	Promoting the principle of solidarity and repaying grants when in a position to do so. Demonstrating best practice & robust decision-making processes in re-cycling funds out to communities in need (and future social enterprises). Resolution to repay minimum annual amount passed at 2017 AGM. New resolution to go to 2020 AGM.
Board unable to function due to incapacitation of board members or inability to communicate or hold meetings	Most board members able to self-isolate. Regular communication by email. Telephone conference and/or Skype meetings.
Failure to raise sufficient funding through traditional and social investment routes to deliver the strategic plan, meet members' requests, fund new social enterprises, support communities and groups and meet the federation office costs.	Written fundraising strategy. Agreement by the resources committee on the fundraising protocols. Effective management of donor base. Strong relations with funding trusts and foundations. Membership subscriptions. Effective management of donated funds. Regular audit. Develop relationships with ethical partners in banking.

## Reserves policy and going concern

The present level of funding is adequate to support the Charity's activities, and the trustees consider the financial position of the Charity to be satisfactory. As set out below, there are no concerns about the charity's ability to continue and there is no deficit on unrestricted funds.

The trustees consider that three months operating costs should be held in unrestricted reserves (Based on future budget spend and the impact of Covid-19 pandemic this equates to approximately £423,000). Unrestricted general funds at 30 June 2020 were £424,179 (2019: £517,851). More information on the funds is provided in Note 18.

The Charity raises funds to cover its own costs and those of the Community and Enterprise Investment Loan Fund (formerly Emmaus Fund) as well as funds in direct support of members of the federation. On 30 June 2020 the Community and Enterprise Investment Loan Fund stood at £1,010,105 (2019: £1,446,906) of which £696,198 (2019: £726,248) is on loan to communities. The remainder is available for allocation in the form of financial support to members, subject to receipt of qualifying applications. The Capacity Development Grant, created specifically to increase capacity in communities and groups, ended the year at £731,517 (2019: £425,237) after a further designation of £378,032 (2019: £89,465) at the year end. This is available for grants and loans to communities and groups in the coming year.

## Investments policy and returns

Under the Articles of Association, the Charity has the power to make any investment which the trustees see fit. The trustees have considered the most appropriate policy for investing funds and have found that savings and deposit accounts meet their requirements that the investments are secure and at the competitive market rates. The trustees consider the return on investments achieved during the year to be satisfactory in the current economic climate and that chosen banks have a good reputation and rating.

The Community and Enterprise Investment loan fund is established to support Emmaus communities to grow, implement change or survive. Recent guidance by the Investment Committee has made clear that communities with a clear focus on reaching financial sustainability will be prioritised.

Emmaus UK operates three grants funds: Companion room expansion grants, formerly known as 25th Anniversary Grants, used to increase number of bed spaces across Emmaus communities. Capacity Development Grant, former Legacy fund, used to expand business opportunities in order to provide financial sustainability. Grants may be funded over varying periods of time, therefore cost and progress is monitored on continuous bases by the Investment Committee. The companion training fund is direct support for companions request for learning and necessary tools to move on by providing financial support to access a range of training and development opportunities.

The Investment Committee is responsible for the governance of the major loan and grant-making funds held by Emmaus UK ('EUK Funds'), ensuring that decision-making around the distribution of funds and subsequent monitoring is appropriately independent, consistent and transparent. This committee is also responsible for the governance of loans made by Emmaus UK's social investment partners, providing independent due diligence and appropriate monitoring on their behalf.

In April 2020 The Board agreed to defer all capital repayments for all communities with outstanding Emmaus UK loans until 31 December 2020 after which this will be reviewed on a community by community basis. The Board agreed all communities with outstanding Emmaus UK loans are given an interest free period until 31 December 2020 and the current March quarter interest is not invoiced for.

## Public Benefit

The trustees confirm that they have complied with the duty in section 4 of the Charities Act 2006 to have due regard to the Charity Commission's general guidance on public benefit, 'Charities and Public Benefit'.

Trustees and individual liability insurance covers up to £500,000 of liability.

## Fundraising

The majority of Emmaus UK's fundraising income is generated via individual giving. Emmaus UK primarily uses media inserts and direct mail to recruit and maintain a database of individual donors, as well as generating income from sponsored challenge events, regular giving (via direct debits and standing orders) and from gifts left as legacies.

The fundraising team also uses corporate fundraising to maximise income and non-financial support from corporates for Emmaus UK and federation members, and trust fundraising to generate income from trust and foundation applications.

Third parties including copywriters and commercial printers are used to produce and distribute materials by the most efficient and cost-effective means. Any third parties working with Emmaus UK on its fundraising activities are subject to due diligence before they begin delivering work. This includes ensuring data protection controls are in place, seeking references and conducting tender processes.

Emmaus UK is registered with the Fundraising Regulator and adheres to the Code of Fundraising Practice which the regulator maintains. Emmaus UK also maintains and publishes an Ethical Fundraising Policy which sets out the approach to transparent and honest fundraising practice, including how donors are contacted, how donor data is protected, how vulnerable people are protected and how to feed back or make a complaint. Alongside the Ethical Fundraising Policy, the Vulnerable Persons Policy also details the approach to protecting vulnerable people within Emmaus UK's fundraising activities.

Emmaus UK received no fundraising-related complaints for year ending 30 June 2020.

## Structure, governance and management

The organisation is a charitable company limited by guarantee, incorporated on 20 August 1997 and registered as a charity on 18 September 1997.

The company was established under a memorandum of association which established the objects and powers of the charitable company and is governed under its articles of association.

All trustees give their time voluntarily and receive no benefits from the charity. Any expenses reclaimed from the charity are set out in note 8 to the accounts.

The Charity is a company limited by guarantee and a registered charity in England and Wales. Its governing documents are its Articles of Association, Rules and Byelaws. The Board and Emmaus UK act as a focus for members of the federation to enable them to work together in pursuit of the movement's stated aims and objectives, whilst at the same time functioning as independent, self-supporting and sustaining communities.

The Charity's principal objectives, as set out in its Articles of Association, are the alleviation and relief of poverty, hardship and distress for those in need, without distinction, by:

- Laying down and promoting the principles of the movement both in the UK and world-wide, furthering its growth within the terms of these objectives by acting as a national federal body for all the Charity's members.
- Preserving, defending and enhancing the Emmaus name for the good of the movement.
- Acting as a central coordinating body for the exchange of views, information and publicity with the aim of promoting unity within the movement.
- Being the UK-wide voice and representative of the movement.
- Educating the public in the needs of poor and marginalised people through whatever means of publicity or education the Charity deems fit.
- Developing communities and other initiatives either directly or through supporting the work of members of the Charity or other organisations within the movement.
- Providing or assisting in providing accommodation and work for poor and homeless people at locations in the UK as may seem appropriate from time to time.
- Providing and encouraging appropriate training and development throughout the movement.
- Encouraging good practice on the part of federation members, and other organisations or agencies working or involved in communities, and publishing codes of recommended practice, guidance manuals and other educational and training material.
- Acting as a channel of communication and co-operation with Emmaus International.
- Supporting the work of other agencies in the relief of poverty and homelessness whether in the UK or elsewhere in the world; in particular (but without limitation) by the exchange of resources, information and expertise with other Emmaus groups world-wide.

## Trustees' annual report

### For the year ended 30 June 2020

---

The Charity supports the federation, the full members of which elect its Board of Trustees. The Board may co-opt up to four additional trustees. A majority of the Charity's elected trustees must be trustees or employees of full members and, prior to the AGM, all members are invited to make nominations for new trustees. When choosing trustees for co-option, the Board considers the need for any specialist skills. New trustees are provided with an induction pack, the contents of which include the governing documents, the current federation and Emmaus UK plans, recent financial information and a number of relevant policies. They are also invited to attend an induction day where they are briefed on their obligations under company and charity law as well as the activities of Emmaus UK. Those who have not already done so are encouraged to visit a number of members of the federation – both communities and groups. Ongoing training is given to trustees in line with the requirements of the Charities SORP.

The trustees are responsible for providing direction, strategy and governance to the charity. Responsibility for the implementation of this guidance is delegated to the Chief Executive. Four committees help to increase the Board's effectiveness.

## Appointment of trustees

The board has, and regularly considers, the mix of skills, knowledge and experience it needs to govern, lead and deliver the charity's purposes effectively. It reflects this mix in its trustee appointments, balancing the need for continuity with the need to refresh the board. The constitution allows for regular refreshing of the board but also enables the board to retain needed skills. There is a formal, rigorous and transparent procedure to appoint new trustees to the board, which includes advertising vacancies widely. Trustees are appointed for fixed 3 years term and may serve no more than 9 years in total.

## Membership of Board and committees (on 30 June 2020)

## Related parties and relationships with other organisations

As listed above and as stated in articles many Emmaus UK's Trustees are also members of staff or Trustees of Emmaus communities or groups. There are no additional relationships between the charity and related parties including its subsidiary undertakings, and with any other charities and organisations with which it cooperates in the pursuit of its charitable objectives.

Emmaus UK administers loans on behalf of The Rayne foundation to Emmaus Communities or Groups. Emmaus UK bears no liability for repayment of principal. This rests with the loan recipient.

## Funds held as custodian trustee on behalf of others

Emmaus UK did not act as a custodian trustee during this accounting period.

## Statement of responsibilities of the trustees

The trustees (who are also directors of Emmaus UK for the purposes of company law) are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the Charities SORP
- Make judgements and estimates that are reasonable and prudent
- State whether applicable UK Accounting Standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- There is no relevant audit information of which the charitable company's auditor is unaware
- The trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Members of the charity guarantee to contribute an amount not exceeding £1 to the assets of the charity in the event of winding up. The total number of such guarantees at 30 June 2020 was 11 (2019:13). The trustees are members of the charity but this entitles them only to voting rights. The trustees have no beneficial interest in the charity.

## Independent auditor's report

To the members of

Emmaus UK

---

### Opinion

We have audited the financial statements of Emmaus UK (the 'charitable company') for the year ended 30 June 2020 which comprise the statement of financial activities, balance sheet, statement of cash flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- Give a true and fair view of the state of the charitable company's affairs as at 30 June 2020 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended
- Have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice
- Have been prepared in accordance with the requirements of the Companies Act 2006

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- The trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- The trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### Other information

The other information comprises the information included in the trustees' annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for

the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- The information given in the trustees' annual report for the financial year for which the financial statements are prepared is consistent with the financial statements
- The trustees' annual report has been prepared in accordance with applicable legal requirements

## Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' annual report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- Adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- The financial statements are not in agreement with the accounting records and returns; or
- Certain disclosures of trustees' remuneration specified by law are not made; or
- We have not received all the information and explanations we require for our audit; or
- The trustees were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the trustees' annual report and from the requirement to prepare a strategic report.

## Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities set out in the trustees' annual report, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine

## Independent auditor's report

### To the members of

#### Emmaus UK

---

is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

## Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

## Independent auditor's report

To the members of

Emmaus UK

---

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Use of our report

This report is made solely to the charitable company's members as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the financial statements

For the year ended 30 June 2020

---

**1 Accounting policies**

**a) Statutory information**

Emmaus UK is a charitable company limited by guarantee and is incorporated in England and Wales. The registered office address (and principal place of business) is Unit 302 Scott House, The Custard Factory, Gibb Street, Birmingham, B9 4AA.

**b) Basis of preparation**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) – (Charities SORP FRS 102), The Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy or note.

In applying the financial reporting framework, the trustees have made a number of subjective judgements, for example in respect of significant accounting estimates. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The nature of the estimation means the actual outcomes could differ from those estimates. Any significant estimates and judgements affecting these financial statements are detailed within the relevant accounting policy below.

**c) Public benefit entity**

The charity meets the definition of a public benefit entity under FRS 102.

**d) Going concern**

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

**e) Income**

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the income have been met, it is probable that the income will be received and that the amount can be measured reliably.

Income from grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

For legacies, entitlement is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the charity that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Solidarity grant income is the repayment on grants given to groups and communities when they are in the process of developing. The income is paid into the Emmaus Fund to be re-distributed to groups and communities as a grant or loan.

**f) Donations of gifts, services and facilities**

Donated professional services and donated facilities are recognised as income when the charity has control over the item or received the service, any conditions associated with the donation have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), volunteer time is not recognised so refer to the trustees' annual report for more information about their contribution.

On receipt, donated gifts, professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

**g) Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. In exceptional circumstances when a loan is converted to a grant, any outstanding interest will be written off at conversion date.

**h) Fund accounting**

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the fund.

Unrestricted funds are donations and other incoming resources received or generated for the charitable purposes.

The designated Emmaus Fund is held for payments to be made in the future to Emmaus groups and communities, to support Emmaus International movement and development projects at Emmaus UK. The trustees have the power to reallocate such funds within unrestricted funds. Note 18 provides detail on the balances of the designated funds.

Notes to the financial statements

For the year ended 30 June 2020

---

**1 Accounting policies (continued)**

**i) Expenditure and irrecoverable VAT**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds relate to the costs incurred by the charity in inducing third parties to make voluntary contributions to it, as well as the cost of any activities with a fundraising purpose
- Expenditure on charitable activities includes the costs of delivering services undertaken to further the purposes of the charity and their associated support costs
- Other expenditure represents those items not falling into any other heading

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

**j) Grants payable**

Grants payable are made to third parties in furtherance of the charity's objects. Single or multi-year grants are accounted for when either the recipient has a reasonable expectation that they will receive a grant and the trustees have agreed to pay the grant without condition, or the recipient has a reasonable expectation that they will receive a grant and that any condition attaching to the grant is outside of the control of the charity. Emmaus UK operates three grants funds: Companion room expansion grants, formerly known as 25th Anniversary Grants, used to increase number of bed spaces across Emmaus communities. Capacity Development Grant, former Legacy fund, used to expand business opportunities. Grants may be funded over varying periods of time, therefore cost and progress is monitored on continuous bases by the Investment Committee. The companion training fund is direct support for companions request for learning and necessary tools to move on.

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

**k) Allocation of support costs**

All support and governance costs are allocated to the charitable activity.

Governance costs are the costs associated with the governance arrangements of the charity. These costs are associated with constitutional and statutory requirements and include any costs associated with the strategic management of the charity's activities.

**l) Operating leases**

Rental charges are charged on a straight line basis over the term of the lease.

**m) Tangible fixed assets**

Items of equipment are capitalised where the purchase price exceeds £250. Depreciation costs are allocated to activities on the basis of the use of the related assets in those activities. Assets are reviewed for impairment if circumstances indicate their carrying value may exceed their net realisable value and value in use. Major components are treated as a separate asset where they have significantly different patterns of consumption of economic benefits and are depreciated separately over its useful life.

Where fixed assets have been revalued, any excess between the revalued amount and the historic cost of the asset will be shown as a revaluation reserve in the balance sheet.

Depreciation is provided at rates calculated to write down the cost of each asset to its estimated residual value over its expected useful life. The depreciation rates in use are as follows:

- |                                  |           |               |

**n) Social investments**

The Community Investment and Enterprise Loan fund, previously called The Emmaus Fund, is a loan-making fund with the intention of providing funds to support communities to change, grow or survive. Priority is given to communities that are expressly working towards financial self-sustainability. The Investment Committee ensures that decision-making around the distribution of funds and subsequent monitoring is appropriately independent, consistent and transparent. The committee oversees that the governance of loans made by Emmaus UK's social investment partners, providing independent due diligence and appropriate monitoring including quarterly risk review for each investment. In exceptional circumstances The Emmaus Board could convert loans to grants.

**o) Debtors**

Trade and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid.

**p) Short term deposits**

Short term deposits includes cash balances that are invested in accounts with a maturity date of between 3 and 24 months.

**q) Cash at bank and in hand**

Cash at the current bank account, PayPal account and cash in hand are included as cash at bank and in hand.

Notes to the financial statements

1 Accounting policies (continued)

r) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

s) Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

t) Pensions

The company operates a money purchase pension scheme under which the amount charged to the statement of financial activities is the contributions payable in the year. Differences between contributions payable in the year and the contributions paid are shown as either creditors, accruals or prepayments in the balance sheet.

u) Foreign currencies

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the balance sheet date. All differences are taken to the statement of financial activities.

Other forms of employee benefits	7,087	55,203
	<u>1,007,707</u>	<u>1,003,772</u>

Other forms of employee benefits include travelling, subsistence and personal development costs.

The following number of employees received employee benefits (excluding employer pension costs and employer's national insurance) during the year between:

	2020 No.	2019 No.
£70,000 – £79,999	<u>1</u>	<u>1</u>

The total employee benefits (including pension contributions and employer's national insurance) of the key management personnel were £282,810 (2019: £270,408) as a consequence of increased management to separate federations support services from social enterprise support and development services.

The charity trustees were neither paid nor received any other benefits from employment with the charity in the year (2019: £nil). No charity trustee received payment for professional or other services supplied to the charity (2019: £nil).

Trustees' expenses represents the payment or reimbursement of travel and subsistence costs totalling £3,369 (2019: £4,470) incurred by 9 (2019: 7) members relating to attendance at meetings of the trustees.

**9 Staff numbers**

The average number of employees (head count based on number of staff employed) during the year was 31 (2019: 30).

Staff are split across the activities of the charity as follows (full time equivalent basis):

	2020 No.	2019 No.
Raising funds	5.0	4.0
Charitable activities	16.0	13.0
Support and governance	5.0	7.0
	<u>26.0</u>	<u>24.0</u>
